Curriculum Vitae

Lepeng Huang

(*Updated in November 2026*)

Email: huanglp@uw.edu **Website**: https://lepenghuang.github.io/

Education

University of Washington *Seattle, WA, USA*
Interdisciplinary Ph.D. Program in Urban Design and Planning *June 2029 (Expected)*

- Committee: Arthur Acolin (Chair), Qing Shen, & Vince Wang.
- Under the track in statistics by the Center for Statistics and the Social Sciences.

Zhejiang University *Hangzhou, China*
Master of Urban Planning *2023–2025*

- Advisor: Guoqiang Shen.
- Early graduation.

B.Eng. in Urban and Rural Planning *2018–2023*

- Outstanding graduate.
- Recommended for graduate admission without the entrance exam.

Research Interests

Urban Economics:

- Core perspective.

Housing Policy and Markets:

- Housing Price. Market frictions and interactions. Market downturn in China. Affordable housing in US. Household finance.

Bottom-Up and Top-Down Spatial Matching:

- Game-theoretic location choice. Operations research for location allocation. Stable matching as a solution.

Urban and Economic Development:

- Income inequality. Local economic development.

Huang, L., Acolin, A., Zhu, J., Shen, Q., & Shen, G., Deleveraging Shocks, Market Frictions, and Downturn of China's Urban Housing Market (2026). *Available at SSRN*: http://dx.doi.org/10.2139/ssrn.6684558

Alidu, A., **Huang, L.**, & Lee, H., A Probabilistic Capital Cost Modeling Framework for Reducing Financial Uncertainty in EV Charging Infrastructure Deployment (2026). (Accepted for presentation in *i3CE 2026*).

Teaching

Teaching Assistant, RE 397: Introduction to Real Estate Data Modeling, Runstad Department of Real Estate, University of Washington *Sep 2026–Mar 2027*

Conferences

American Real Estate Society 2026 Fall Research and Leadership Symposium *November 2026*

- Oral Presentation: Regional Income Inequality, Individual Household Leverage, and Housing Consumption.

The 20th International Association for China Planning Conference *July 2026*

- Oral Presentation: Leverage Shocks, Market Frictions, and Downturn of China's Urban Housing Market.

The 18th International Association for China Planning Conference *July 2024*

- Oral Presentation: On Feasible and Stable Spatial Matching of Urban Healthcare Facilities and Population.

2024 Chinese Economists Society China Annual Conference *July 2024*

- Oral Presentation: On Feasible and Stable Spatial Matching of Urban Healthcare Facilities and Population.

Professional Experience

Reviewer, Peer-Reviewed Journals *–Present*

Academic Volunteer, Frontiers of Urban and Rural Planning *Jan 2026–Present*

Host of Fellow Presentations, City+ Research Network for Interdisciplinary Urban Studies (4 sessions to date) *Jun 2025–Present*

Organizing Committee, 2026 Annual Ph.D. Symposium (In Honor of Anne Vernez-Moudon), College of Built Environment, University of Washington *Feb 2026–Apr 2026*

Research Internship, Urban Development and Planning Innovation Joint Research Center, China Eco-City Academy and Zhejiang University *2024–2025*

International Competitions, Overall Urban Design and Downtown Detailed Urban Design of Dongyang City *2023*

Urban Planning and Design, Science and Technology City of Zhuji City *2022*

Internship, Zhejiang University Urban-Rural Planning & Design Institute *2022*

International Exchange Program, Urban Regeneration and Infrastructure Construction in University of Cambridge *2020*

Honors & Grants

Special Service Recognition Award, Department of Urban Design and Planning, University of Washington *June 2026*

Outstanding Graduate, Zhejiang University *June 2023*

Fellowship, Zhejiang University *2019–2022*

Research Grant, ¥10000, National Undergraduate Training Program for Innovation and Entrepreneurship *2020–2021*

Synergistic Activities

Student Representative, Interdisciplinary Ph.D. Program in Urban Design and Planning, University of Washington *Jan 2026–Jun 2026*

Class Monitor and Leader, Zhejiang University *2019–2023*

Leader of Photography Department and Deputy Director, Radio and Television Station of Zhejiang University *2020–2021*
